

CMTS

Canadian Manufacturing Technology Show

ATTENDANCE HAS ITS REWARDS

PRESENTED BY

Society of
Manufacturing
Engineers

cmts.ca

**REGISTER
BY SEPTEMBER 5
AND YOU'RE
AUTOMATICALLY
ENTERED TO
WIN 1 OF
10 iPads**

TO REGISTER:

- 1 - Go to www.cmts.ca and click on REGISTER NOW or scan the QR code below
- 2 - Complete the registration form
- 3 - Mark cmts.ca in your calendar October 17-20, 2011

**THE FIRST 500
TO PRE-REGISTER WILL BE UPGRADED
TO THE ELITE PACKAGE**

Make the most of your show experience! The ELITE package includes your registration fee, fast track registration, keynote session, automotive summit, networking reception and executive welcome package*.

DIRECT ENERGY CENTRE - TORONTO:

Central location, easy access by plane, train or car, and immense parking facilities:

- Pearson International Airport
- Toronto Island Airport
- Oshawa GO train
- Mississauga GO train
- TTC

*An email confirmation will be sent to confirm the upgrade to the first 500.

Scan with your smartphone
to register now

TOP 5 REASONS YOU SHOULD ATTEND CMTS

1

Impact

Meet innovators who can help you achieve your goals

2

Interaction

Colleagues, suppliers, industry leaders

3

Innovation

Live demos of the latest cutting-edge technologies

4

Inspiration

Advanced solutions to expand your knowledge

5

Location

Direct Energy Centre
in downtown Toronto

STRATEGIC EVENT PARTNERS

SEE THE FUTURE OF YOUR INDUSTRY AT CMTS 2011

From October 17-20, 2011, the Canadian Manufacturing Technology Show provides you with the solutions for all of your industry needs and prepares you for the future.

NEW technical conferences

Wind and solar energy, automotive supply chain, aerospace, medical manufacturing...

NEW exhibitors

FERRO Technique, EMEC, MURATEC MACHINERY, MAKINO, MITSUBISHI, SANDVIK...

NEW international pavilions

India, Italy, Finland...

DISCOVER THE LATEST TECHNOLOGIES

Evaluate and compare cutting-edge equipment and advanced technology in key areas:

Automated Manufacturing & Assembly
Automation & Controls
Bar Coding
Borescopes
CNC Programming Software
Composite Manufacturing Controls, CAD/CAM Software
Coolants & Lubricants
Cutting Tools & Accessories
Data Acquisition
Deburring & Edge Finishing
Drilling & Tapping Machines
Dust Collectors
EDM
ERP/MRP
Energy & Environmental Efficiency
Engineering Materials
Fastening & Joining

Financial & Leasing Services
Finishing & Coatings
Flexible Manufacturing Systems
Gases & Gas Equipment
Grinding Machines
Laser & Laser Systems
Lean Manufacturing
Machine Vision Systems
Machining Centers, Milling & Boring Machines
Machining, Plastics
Maintenance & Repair
Material Handling
Measurement Inspection & Test
Mechanized Plasma Cutting
Metal Forming & Fabricating Equipment
Metal Suppliers
Micro Manufacturing
Microscopes

Motion Control
NDT
Part Identification/Marking Systems (RFID)
Plant Engineering & Maintenance
Plastics Molding & Manufacturing
Purchasing & Inventory Control Software
Rapid Prototyping
Resistance Welding
Robotics
Sawing & Cut Off Machines
Screw Machining
Turning Machines Lathes & Turning Centers
Waterjet Cutting
Welding
Workholding Systems & Devices
...and much more!
